

...Being Renewed by the Transforming of Our Minds A Self-Study Curriculum

After hearing about the importance of developing a mature Christian mind, people often respond, “Where do I start?” Indeed, the scope and depth of literature on the topic is overwhelming and can stifle one’s enthusiasm for taking action. Think of the resources below as a good starting point into becoming, not only a solid thinker, but as an opportunity to become more bold and engaged in your faith. We applaud you for undertaking such an endeavor. I can promise you that, though parts of it may be challenging, you will be glad you did! For those of you at Salem Alliance Church, we will have all of the referenced books at our Pursuits desk. Otherwise, they are all available on Amazon.com. As always, we are here to support you and walk with you through this. Just let us know if you have questions at: Scott@ApollosForum.org.

Sincerely,
Scott Matkovich
